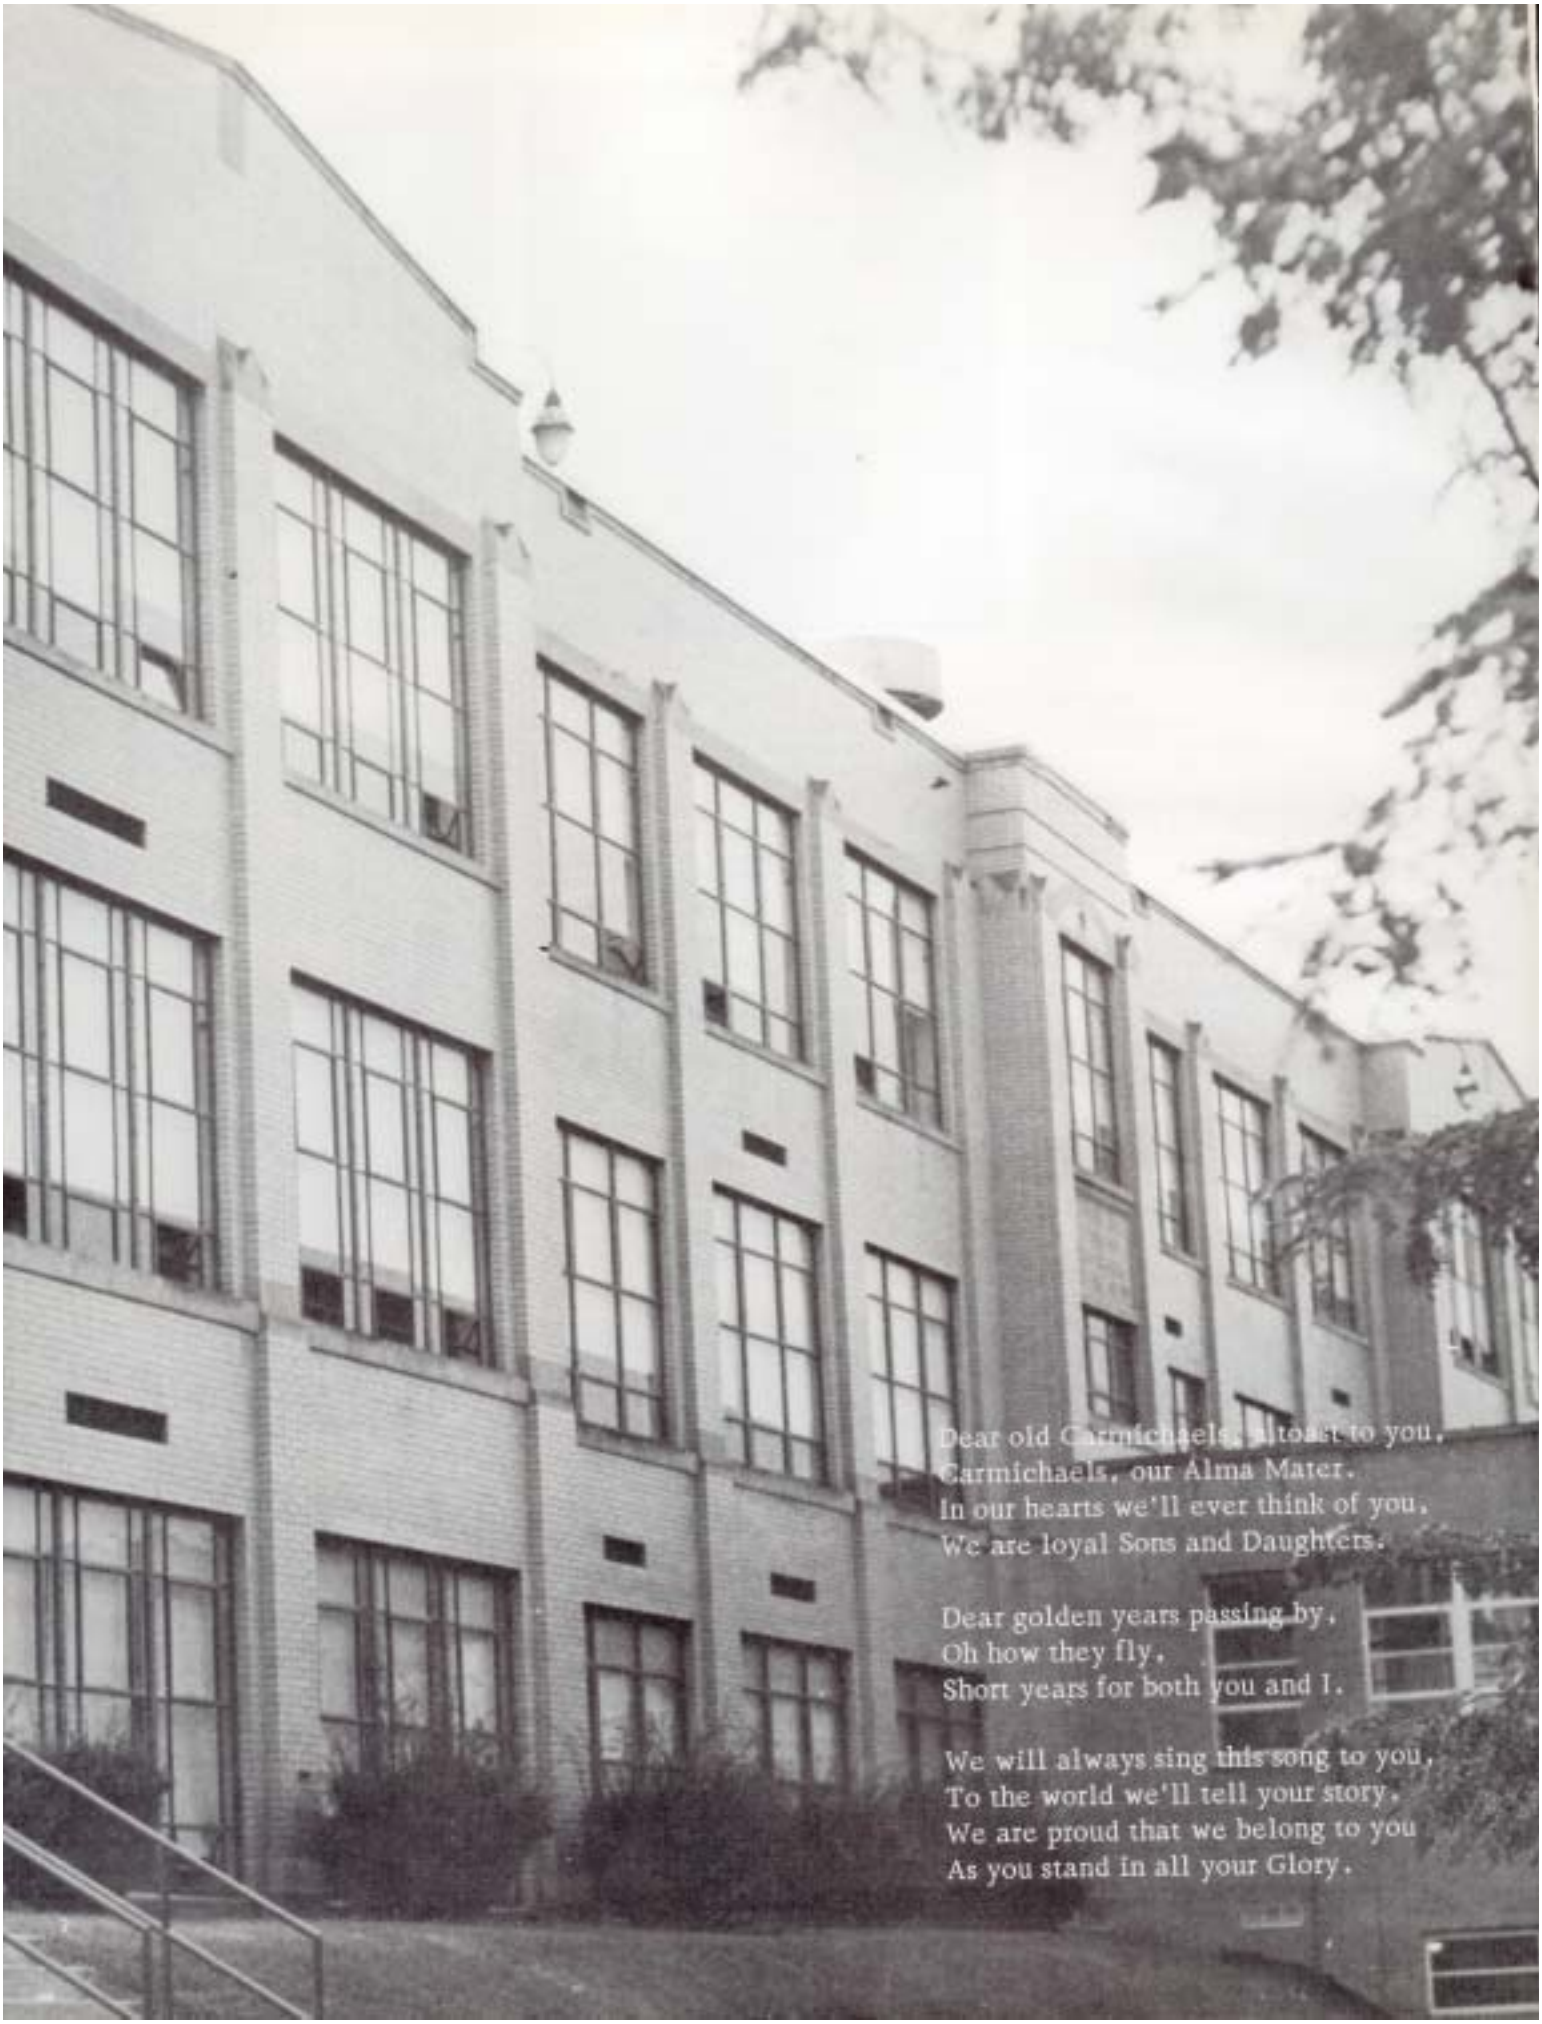
Carmichaels Area High School
Carmichaels, Pennsylvania



Dear old Carmichaels, a toast to you,
Carmichaels, our Alma Mater.
In our hearts we'll ever think of you,
We are loyal Sons and Daughters.

Dear golden years passing by,
Oh how they fly,
Short years for both you and I.

We will always sing this song to you,
To the world we'll tell your story,
We are proud that we belong to you
As you stand in all your Glory.

The cheers and screams that filled the C.A.H.S. auditorium in early September of 1976 heralded the beginning of an eventful and exciting sports season for the Mikes. Each of our athletes displayed valiant courage, sportsmanship, and school spirit. We would like to honor their achievements in this section of the yearbook and once again sincerely echo the cheer —

WE'RE PROUD OF OUR TEAM!!!

We've got SOUL!!!

Life at C.A.H.S. includes various activities and clubs. Homecoming, the Ball and the Senior Prom are very special annual events, but 1977 also brought such new and different occasions as Slave Day and a Christmas play. But every day brought memorable experiences to each individual student, and some of these special times are captured in a series of unforgettable candid pictures.

College Is A Time To Grow.

WAYNESBURG COLLEGE is the place.

Everything here points toward you and your future. Our programs, our people, our size all help you expand your horizons and prepare for a career.

We have programs in 21 fields, including business, public administration, management science, geology, education, and Christian Education. Each of them lets you develop a program to meet your individual needs and interests.

And, all 21 programs will prepare you for a career or graduate school.

Our faculty cares about the programs we offer and the education you get. Nearly 60 percent of our faculty holds doctoral degrees and all have proved their ability. They put the emphasis on teaching, not research. Professors—not graduate assistants or seniors—teach freshman-level courses.

Waynesburg has 800 students, meaning that you're more than a number here—you're a person. And, since our classes are relatively small, you'll get the personalized attention that is very valuable.
